Online Classes

As distance education classes are designed to provide an educational experience equivalent to campus-based classes, faculty will schedule final exams for all fully-online courses between December 8-13.

Important Note: *If your class does not fit within the above time blocks, check with your instructor for final exam time and location. Whenever possible, plan your courses so that finals will be spaced throughout the above schedule. If you find that it is impossible to avoid three finals in one day, and you cannot obtain an accommodation from your instructor(s), you may submit a written request for an adjustment in your final exam schedule to the Vice President of Academic Affairs. The request should be made at least 7 days prior to the exam day.*
